Role of Women and Youth in Achieving SDGs

At the Twentieth Sustainable Development Conference, SDPI is holding this session to highlight the work being done by youth and women to achieve the Sustainable Development Goals (SDGs). It will address the following key areas:

- Importance of Sustainable Development Goals (SDGs)
- Negative impact on women and children if SDGs are not achieved

The panelists will discuss the way forward in the light of the above key areas.

Panel Organisers: Ms Romina Khurshid, Mr Moazzam Bhatti and Mr Ghamze Ali
