

Session: Strengthening Means of Implementation to Advance Progress on the SDGs: Finance, Technology, Capacity Building & Trade

This session will focus on various means of implementation targets embedded in the Sustainable Development Goals (SDGs) which include finance, technology, trade and capacity building. It will discuss means and mechanisms for designing recovery strategies based on sustainable financing policies; leveraging public and private sources for financing COVID-19 recovery packages and achieving the SDGs; emerging capacity-building needs and advancements in digital technology and technology gaps; and opportunities for increasing intra-regional trade through trade digitalisation, harmonisation, and trade facilitation.

Panel Organisers

Dr Rajan Sudesh Ratna, Deputy Head and Senior Economic Affairs Officer (a.i.),
United Nations ESCAP South and South West Asia Office, New Delhi, India

Sustainable Development Policy Institute (SDPI), Islamabad, Pakistan

Note: This session is not open for abstracts.
